World Congress on Ultrasonics

URL: <http://www.sfa...sso.fr/wcu2003/> (click.asp?ObjectID=5087&Type=Out&NextURL=http%3A%2F%2Fwww%2Esa%2Easo%2Efr%2Fwcu2003%2F)

Start Date: 9/7/2003

End Date: 9/10/2003

The fifth World Congress on Ultrasonics will focus on cutting-edge technology and invite participants to share current thoughts in fields covering a broad range of topics pertaining to ultrasonics. It will include plenary sessions with invited keynote lectures, oral sessions running in parallel and "special topic" sessions with invited speakers. The purpose of the World Congress on Ultrasonics is to provide an overview of current research in ultrasonics, with an emphasis on bringing young researchers to this exciting area.

The organizing committee of WCU 2003 looks forward to meeting you in Paris. Don't miss it! With your help, we are confident that the World Congress on Ultrasonics in Paris will be a success.
